

July 13, 2022

Report due by July 15:

Dear County Commissioners:

On or before July 15 of each year the Assessor's Office is required by C.R.S. 39-8-105 to provide the total value of all taxable property in the County, a list of all protests and their resolution and a list of all business personal property owners that failed to return a personal property declaration.

Due to deadlines for personal property filings and the deadline for the resolution of those appeals it was not possible for me to have this information for your July 5, 2022 meeting. I am submitting these reports to you in written form at this time. I will be available at the meeting on July 21, 2022 to answer questions you may have.

The total actual value of the taxable property in the County is \$3,591,167,788 and the total assessed value is \$377,918,331. The total taxable or assessed value is \$3,397,346 less than the 2021 taxable value. This is a result of the reduction in assessment rates for several classes of property. The most significant was the reduction of residential property from 7.15% to 6.95% and multi-family from 7.5% to 6.8%. The assessment rate for agricultural property was also reduced from 29% to 26.4%. The lower taxable value results in approximately \$52,075 in lost tax revenue. There will be an additional loss of taxable value due to HB22-1223 that exempts all manufactured homes that have an actual value under \$28,000. This will exempt 75% of the title manufactured homes in Delta County. The actual loss is \$10,441,150 and the assessed value is \$725,783 resulting in a revenue loss of \$11,125.

There were 77 protests of real and personal property. The value was adjusted on 58 accounts. Eleven accounts were denied and for 8 accounts the owner was satisfied after visiting with the Assessor's Office about their value.

There were 19 personal property accounts that did not return a personal property declaration in 2022. This number is substantially less than in previous years due to the \$50,000 exemption for personal property that was effective in 2021.

I have attached the actual reports to this document.

I respectfully submit this information to the County Board of Commissioners and look forward to answering your questions at your next meeting.

Sincerely,

Debbie Griffith

General Information

Insuring that the burden of taxes is distributed equally in accordance with the amount of property each taxpayer owns is the goal of the Assessor. In an effort to equalize the assessments among all property owners, this office will continue a thorough reappraisal program. We appreciate all the assistance you can offer, and thank you in advance for your cooperation with this effort.

It is the duty of the Assessor to list, as nearly as possible, all assessable property in the County, and to make an equitable assessment of the same at a value as near the actual cash value as it is possible to determine; then to certify the valuation to the various tax levying boards.

PLEASE REMEMBER
THE ASSESSOR HAS ABSOLUTELY NOTHING TO DO WITH SETTING ANY TAX LEVY

County Tax is levied by the Board of Commissioners, City and Town Tax is levied by City and Town Officials, Special District Tax is levied by District Directors, and School Tax is levied by the District School Board.

After the levies are received by this office, it is the duty of the Assessor to extend the taxes upon the property as assessed, and then certify and deliver the tax roll to the County Treasurer for collection according to law.

IMPORTANT INFORMATION

All property, except that specifically exempted by law, is subject to taxation, and it is the responsibility of the owner to see that it is listed with the Assessor.

Debbie Griffith
County Assessor

TAX INFORMATION

Property taxes accruing in the year 2021 are due and payable January 1, 2022. To avoid penalties and interest accrual, payments must be postmarked by the dates listed below.

- 1st half payment due February 28, 2022
- 2nd half payment due June 15, 2022
- Full payment due April 30, 2022

Please note that Section 39-10-104.5(6), C.R.S., requires taxes totaling less than \$25.00 to be paid in one payment only.

Interest on all delinquent taxes is one percent (1.00%) per month. All property tax liens that remain unpaid will be sold at tax lien sale in November and thereafter will accrue interest at the statutorily calculated rate.

Please contact my office if you have any questions or concerns regarding your property taxes.

Thank you.
